

# Usurpers in God's Kingdom

---

For most people in God's Kingdom, they have little knowing or understanding of why things operate the way they do in terms of Legal and Religious Systems. Many are indeed frustrated of their situation in life as most are in bondage or some form of slavery, knowingly or in many cases unknowingly. For most people this article will make no sense and the few will glean some understanding and fewer yet, will have fortitude and will to apply what is written here. Sadly, many are called, but few are chosen to enter into Heaven and as it is on earth, but earth is no heaven by any imagination, some akin it to a living hell.

So let us get some of the basics out of the way so you can see how the stage is set and who the players are. Jesus the son of Yahweh created all things through Yahweh's authority granted to him for Yahweh and by Yahweh, in that Yahweh the Father and his Son Jesus along with the Holy Spirit are one, being the God of all of creation. Within Creation there is love and God is Love. All that is love is contained within God as again, God is love. When man sins he no longer is part of that love and yet Yahweh sent his only begotten son Jesus to us to save us from our sins so we may be redeemed by God and live with God for eternity. The vastness of God's Kingdom is beyond my imagination, but I do know from scripture that we are to be given a new earth and heaven to exist within and all will be anew. For those that rebel against God and do not look to Jesus for salvation, they will face Judgment when they die by God, where he may decide to send your soul into Hell.

This is the foundation of reality of our existence on earth today. For those who wish to think otherwise and believe upon the edicts of a world they subscribe too, the truth of this reality will eventually be brought to bear upon them. In many ways God finds ways to bring us back to him, but there is an opposing force to this which is headed by the Prince of this "World", not earth, that wants to pull you away from the truth and away from God, for the simple reason that he is in a losing position and wants to take as many down with him when he is finally cast into the lake of fire along with Hell, I might add. It is of course Satan that rules over the "World" and everything within it is his absolute dominion. Satan/Lucifer is a liar and murderer from the beginning.

In Mathew 10:16 it says, "Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves." Again serpents are very subtle in all they do and thus through love we are as doves.

Thus when you are presented with anything concerning the Legal System you are being engaged in a war upon the Sea, in Admiralty jurisdiction. You are seen only as a chattel property being cargo upon their slave ship and whatever the captain of the ship decides to do about any situation concerning you is completely up to his or her discretion as you have absolutely no rights or freedom within it, however they do grant you privileges from time to time, maybe.

It is fundamentally important for you to understand one thing and if you do not understand this, nothing will ever work for you within the world of the legal system. This is that everything that is done is done within a world of fiction. There is no life nor any truth found within it. The language they use, Legalese is defined as an unintelligible language, thus any time you engage them in legal conversation concerning their "LAW" you will never be understood as you are engaging with them in an unintelligible language. See Black Dictionary 7<sup>th</sup> edition or others for this definition.

The second part of this is that within their fictional world, there is no life within it as the only true God, is the God of Life and Satan is not a god of life, but a god of death. Thus PERSONS within the world of LAW have no rights or freedoms for they simply do not exist in truth and are seen as being dead. How can a fiction own anything, if it is not real or does not exist? Although Legalese is designed to mimic English and other languages upon which it is used, it is still unintelligible. Those who come before any Court are seen as wards of the Court and hold no authority to represent or defend themselves in any way, as they are seen as incompetent. Incompetent because they fail to realize the truth of the Living God Yahweh and their true dominion therein, given to them by Yahweh upon their creation upon the earth. A fiction has no means to determine what is true or not for it is fundamentally a lie in of itself, pretending to be living.

When you go to court they call out a name, which is an all capital letter name. The All Capital Letter name is Dog Latin, which actually mimics the name, but is a corruption of the upper and lower case name. Anything written in Dog Latin has no meaning, the same as that written in Legalese, hence why the LAW seeks to find a SURETY for their LAW, to extract life energy from to enable the Grand Illusions set forth. Your signature on the Promise to Appear creates a written contract with the Court, upon which only the LAWYERS are allowed to interpret, because the BAR holds COPYRIGHT over all the LAW and thus the language of the LAW called Legalese. The LAW only applies to the LAWYERS within their LAW SOCIETY and no one else. The purpose of the Court is to

make money, which reflects extracting life force energy from the living to animate the fiction or illusions therein.

All truth leads to love. God of the Living is Love. There can be no truth outside of Love and there can be no life where there is no love. For Satan to exist he must use tricks to siphon energy from the living in order to exist in truth. It is thus by committing sin that we give life to the illusions of fiction. Hence why the Courts exist at all, because it deals with the wages of sin, which is death. How many different ways do people kill themselves by sinning against God? There is no remedy in the Courts for “CRIMES and breaking RULES”, for they exist only because people refuse to love others. Thus where there is no love there is war and the orchestrator and controller of all wars is done by Satan through his minions to extract energy from the living and thus causing death ultimately in situations.

When you bow to the Judge, you are committing a sin, making him GOD of you over your creator. This is also done by standing in court when the Judge walks in. In every way possible they try to give you clues as to what is going on, but ultimately it is fear within you that is generated by not loving others that gets you to this spot to begin with. How do I know this? It says so in the Bible Mathew 22:34-38:

## The Greatest Commandment

34 Hearing that Jesus had silenced the Sadducees, the Pharisees got together. 35 One of them, an expert in the law, tested him with this question: 36 “Teacher, which is the greatest commandment in the Law?”

*37 Jesus replied: “Love the Lord your God with all your heart and with all your soul and with all your mind.’[c] 38 This is the first and greatest commandment. 39 And the second is like it: ‘Love your neighbor as yourself.’[d] 40 All the Law and the Prophets hang on these two commandments.”*

All the Law and the Prophets hang on these two commandments. Let that sink in a moment...

Now do you think for one moment that Love has nothing to do with LAW? When you enter into the LEGAL System you abandon all connection with God and forsake him to be Judged by man, rather than by God. Thus anything that was ever brought forward in terms of God's Law through God himself or any Prophet must be in line with Loving God and Loving your Neighbor (others). It is no longer permissible to stone people to death for breaking any of God's Laws nor is it permissible to do sacrifices for the atonement of Sins, whatever they are. Death no longer holds any bearing on God's Law as if it were, it would feed illusion and fiction. The only one that has any right to take life is God himself.

I cannot stress the magnitude of this situation or put into words how huge this really is, but fundamentally it is about love and every time you engage in the LEGAL SYSTEM you are forsaking God and not loving him or your neighbor in question by doing so. PERSONS in the LEGAL systems may also be corporations, which may have more rights over a natural person. The other word you see a lot is the word Human. Human Rights are part of the United Nations, but you will not find the word Human in any BAR associated LEGAL documents of any COUNTRY, which are CORPORATIONS in of themselves. Human is another corruption of man as God only created man, he did not create Humans.

So how do you identify yourself? You identify yourself as a man created as male or female by God, standing in your dominion over all the earth, upon the earth. Dominion means to Rule. You will find this twice in Genesis 1:26-28. You will find it written in all versions of the Bible, including the Freemasons, as in order to trick you, Satan must first tell you the truth. If you do not follow what God has told you, then Satan may do as he pleases for you have forsaked God.

It behooves me to when I see Muslims screaming that the "World" should be all under Sharia LAW, when in fact it is a LAW for PERSONS in which all LAW within Sharia is only applicable to PERSONS. In the Qur'an the first book second line says that Allah is the Creator of Worlds. Then it goes on to say how Allah created the heaven and the earth, but few if any ever notice that a world is not truth, a world may be anything you want it to be, thus Allah's world(s) are merely fictions and do not exist in truth. Yet again, few bother to understand the meaning of the words they read, much less understand how powerful their words are when they speak them. Because we were created in God's image and after his likeness, our words like his have power and meaning within creation. We are free to create a hell for ourselves or a heaven on earth

through what we say to others in truth. Think that the LEGAL SYSTEM says that LAW is always spoken for reason? Law is always spoken, because God had Moses write down on tablets his Law to share with others. Thus God's Law is always spoken, never did God write anything down.

Again in order to trick you, you must be told the truth and the serpent will always subtly tell you the truth, but if you are not following God, then it is likely that you will not receive comfort from the Holy Spirit to gain decrement over what is being presented to you.

What is likely though for those that are not following God is that they will have a demon extract energy from them, perhaps in a whisper edicts of power into their ears to gain or lose over any one situation. You see Love has no winners or losers, hmm? You are feeding the illusion, which has no truth within it, so you have a god Satan who commands his army of demons to assist him in extracting death and life energy from those who do not love others.

So my title was a bit misleading in that I said that Usurpers in God's Kingdom. Who is the Usurper? For many they will point fingers at the entire LEGAL SYSTEM and especially the Judges. Some may point out the Pope as he heads the entire LEGAL SYSTEM through the HOLY SEE. Can you see how Shakespeare was making an accurate assessment of things, when he said, "All the World is a stage?" For on the surface it appears that the indeed God's Ruler and authority has been usurped by these charlatans and believe me, I see many comments and videos about how corrupt the entire LEGAL SYSTEM is, including the Rulers of various Countries. It goes on and on to no end it seems. Yet as it always is with those who do not live in truth, they will point at everyone else as being the cause of their woes, before looking at what they are doing themselves. Perhaps it is simply the nature of man as Jesus called many people Hypocrites and indeed he hated LEGALISM, which was perversion of God's Laws, by the Pharisees. This was brought about one day when Jesus picked some corn to feed people he was meeting up with on the Sabbath. The Pharisees said he was breaking God's Law and he told them that the Sabbath was created for man, not man for the Sabbath. Do you think that man was created for the LEGAL SYSTEM or that the LEGAL SYSTEM was created for man?

I should add though that the Pope, who is controlled by Satan, is the biggest Usurper of all. Many Popes have declared themselves to be God. Much of our problems in the world stem from the Pope of Rome in the Vatican. I recommend you watch this video to learn more.

So who are the Usurpers of God's Kingdom. To usurp means to take some action that is only the responsibility of God. It is only God's responsibility to Judge thus we see many Judges and Law Makers involved in usurping this responsibility to a huge degree all of which is not based upon love of course. But more importantly we don't see that our own actions that cause us to get involved with the LEGAL SYSTEM to begin with, have somehow usurped God's Authority in some way. Each of us has a role to play in animating the illusion of separation from God. It can't be accomplished unless we participate in it at some level. So those who have never sinned cast the first stone. I think you get my point, I hope. In many ways we see all over the place people acting in positions of authority outside of the bounds of God's Law, which only engulfs them with pride and illusion.

This is why God's Sheep that are among the wolves, must always keep their eyes on God, who is our Good Sheppard and loves us, to live in this Godless world. In the end the sheep are going to be killed off by those caught up in the illusion, for the illusion becomes so great that no truth can exist within it. Satan does not want the truth or rather the Law to be written in your heart, for he cannot devour you with his illusions and damn your soul to hell. While you are alive you have the gift from God to choose to follow him by asking Jesus to come into your heart and to follow him in his ways. His word is written in the Bible, with the King James Bible being the least corrupted Bible. In the end it matters not so much what the Bible says, it matters how you love the Father and your neighbors throughout your life. It is your heart that ultimately determines what happens to your soul.

I think the LEGAL SYSTEM is a very subtle way in many situations to remind people who they are and why they are here on earth. They go through many trials to teach you the truth, through falsehoods and illusion, but ultimately they serve God in his will on earth. The Courts could not possibly exist unless God wills it to be in place. It is a great illusion for those who do not see the truth. When you learn the truth, the truth shall set you free. All truth leads to Love and if you don't love the Father and Others, you will always flounder within the illusions thereof.

To do as thy wilt shall be the whole of the law is a Satanic realism of those caught within the illusion. There are various degrees of it, but ultimately it is

demonic and serves the will of Satan, not God. To do what you want at the detriment of all those around you, creates a state of war within you and with those who are your neighbors. The energy channeled into maintaining who is the big fish in the pond is reflected by the armies of the world and the numerous dictatorships present. Some of the most profitable dictatorships are the most subtle I would say.

Ultimately you do not want to involve yourself with the LEGAL SYSTEM in any way, but to be wise as serpents and harmless as doves, we are forced to interface with the LEGAL SYSTEM at some level or we will cause so much friction that our very lives may become at risk, if we cannot escape the SYSTEM. Escaping and going to some far away remote place was perhaps possible in the past, when there were few people on the earth, but not today. You must be wise in what you do and simply apply all that you do against the check, is what I am doing a loving thing in the Father's eyes and loving to my neighbor? It is a dance around a hornets' nest and minefield no doubt. I think if we were never challenged in how strongly we loved God, we would never know in our hearts how much we indeed do love him or don't. It is in part why the Tree of knowledge of Good and Evil was placed in the midst of the Garden of Eden. Love always gives us choice, there is no choice where there is no love.

As a side note it is the Tribe of Dan that currently rules the world. They broke away from the Tribe of Israel and intermingled with the DNA of Giants, who were the off spring of woman and fallen Angels. They look human to us, but many are possessed by demonic entities and operate to control man for the benefit of Satan's agenda. Many who are involved with them are so deceived that they actually sell their souls for material gain. They can at any time of course turn to Jesus and give themselves to him and ask for forgiveness. Doing so will strip them of their worldly possessions and all their gains they made through Satan, but who wants that crap, when you may lose your soul and be damned to hell when you die? The world is filled with Paganism and Idolatry at many levels. For many, they become shocked to discover how their churches are involved in all this as well. Many Churches worship Lucifer, not Yahweh. The world is filled with illusions my friends, you just have to wake up and see them. God's word helps a lot, but it is when you gain discernment from the Holy Spirit that much more comes into focus.
